

2025 Working Equitation East Year End Awards Program Show Schedule

For Competitors: To qualify for the Year End Awards that WE East offers, all competitors must be WE East members (membership is only \$25) and compete in at least two shows. All riders and horses must also be registered with USAWE (www.usawe.org).

For Show Organizers: To have your show included in the WE East Year End Award Series, just let us know ahead of time and then send the GIRA final results sheet to workingequitationeast@gmail.com c/o Mindy Finelli after the show.

Awards: Champion and Reserve Champion ribbons/prizes will be awarded to the first and second place winners of each Level/Division. Prizes/Awards TBD.

Scoring: Scores will be calculated by averaging the Dressage/EOH scores for each competitor throughout the show year. This is done by adding the averaged Dressage/EOH score from the final results sheet for each show and divide it by the number of shows shown thus giving a final average for the year.
